**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am strongly in support of broadband competition and consumer options. I struggled for years with unsatisfactory service and system performance and only recently gained access to high quality, reliable, fiber internet. It has been a huge benefit for me and my family and I strongly encourage you to expand access to competition in this market rather than reduce it. Thanks for considering.
